***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: None of the references cited or the art searched disclose or teach alone or in combination the collaboration server supporting the CAD system with the means for maintaining database elements, means for receiving input commands from the plurality of remote client applications to modify CAD elements, means for logging discrete CAD element changes, and means for generating hypertext markup language from the records generated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Supplemental Relevant Prior Art***

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Guheen (6957186) discloses a system for identifying various components for building management, which includes a CAD system and the ability to unlock and modify data elements, where the invention utilizes hypertext markup language as the preferred language for the basic embodiment of the invention.
